

ROCKY MOUNTAIN SAAB CLUB OF COLORADO

Invites You To Join The Saab 2009 Colorado Rocky Mountain Tour

SAABS RUN THE ROCKIES

You are invited to join Saab enthusiasts from all over the world in touring the Colorado Rocky Mountains during the five days following the 2009 Saab Owners Convention in Colorado, hosted by the Rocky Mountain Saab Club.

The tour will span August 17 through 21, 2009, and will start with a tour check-in meeting at the convention site at 8:00 am on the 17th. Tour details will be provided upon registration.

Many Colorado scenic areas will be visited, including Trail Ridge Road in the Rocky Mountain National Park, reaching an elevation of 12,183 ft. Using various side excursions, you may see world famous ski areas, including Aspen, Snowmass, Vail, and Telluride. Enjoy Colorado's four national parks; the world's largest outdoor hot springs swimming pool with its large water slide and soaking pool; explore ancient Anasazi Indian cliff dwellings; ride a scenic route on a turn of the century narrow gauge railroad; see beautiful canyons, picturesque mountain lakes, old mining towns (have you heard of Baby Doe), Colorado's own version of the Grand Canyon and our "Little Switzerland"; and experience the beauty of various spectacular highway segments like "The Million Dollar Highway". The tour will be capped off by a banquet dinner on the last night.

Come and join us by filling out the attached registration form. Upon registering, you will be provided an 'Accommodation List' of the overnight lodging in each of the five overnight locations so that you may make your own individual overnight plans and reservations, plus a list of driving and traveling tips to prepare yourself for Colorado's mountain touring. Your registration fee will also include a Tour Book detailing each day's map segments, directions, points of interest, and mileage, plus a tour related T-shirt, a personalized pin-on button, and car number decals. These items will be available at the tour check-in. Tour fees for the car driver and any other occupants are shown on the registration form. These fees are separate from the convention fees.
