***Arrival –***

Plan to arrive between 7:45 am and 8:50 am. For those who are driving in from distant places, plan your drive timing accordingly. Photo will be taken promptly at 9:00AM.

***Special Showcasing –***

We will showcase special models in the very front rows. Example 1986 900T CV Silver, 1988 900T CV SIS Black, 1991 900T CV SPG, 1994 C900T CV Commemorative. Other special editions such as the Talladega, 25<sup>th</sup> Anniversary Edition and others?

***Front Two Rows Showcasing -***

The next two rows will be filled with one car from each year beginning with the 1986 Saab on the left, directly behind it will be the 1987 Then, going to the right every year of this model until 2011. All rows are in the shape of a shallow arc. We ask you, on a first come, first serve basis, to check the web site to see if all slots are filled so you might be able to showcase your Saab in the first row.

### ***Available Spaces For Front Two Row Showcasing –***

Check the website for available positions in the front two rows. If you see an opening, please contact Tom Jansen at [norgecastle@gmail.com](mailto:norgecastle@gmail.com) . We are also accepting alternates for the same positions.

### ***Photo Shoot –***

**Promptly at 9:00!** We will take three different shots. One is of the cars with the owners standing beside them. Second will be of the cars only and third of all the Saab Owners gathering and standing in front as a group holding signs, banners and having the cars in the back. See examples below.

### ***Banners & Signage –***

If anyone has Saab banners, signs, or anything to show, please bring them along.

### ***Staging –***

Upon arrival into the lot, you will be staged in a line and then directed into the parking location by volunteers. All CVs will be staged according to arrival. Except for the first specially-designated reserved rows, we will not separate models by year. First come, the closet to the front you will be.

***Drive-To Be determined.*** This will be a two hour drive. At this point the route is not laid out.

### ***Lunch – El Rancho Brewery & Restaurant***

The Vincent Family from El Rancho Brewery and Restaurant have invited our event to have lunch at their newly opened facility. Proprietors are Bob & Laurie Vincent (President), Tom & Kiria Vincent (Chief) and Paul Vincent. El Rancho has been an iconic restaurant for many years. Whether you go on the drive, do your own drive or use your time after the photo shoot for something else, please show up at El Rancho at noon. We will enjoy a private room for just Saab owners.

### ***Do I Need A Saab CV to participate?***

This is scheduled as a Convertible Only Shoot for the Anniversary of this great car. We are not going to discourage other Saab models from showing up. All models that are not convertibles will park out of the picture.

### ***Why So Early??***

The best time for a picture is in the morning here in Colorado. The sun is low, intense and allows for a great effect.

### ***Pass The Word !!***

If you know of any other Saab Convertible owner, let them know and invite them to this great event.

## Questions?

If you have any questions, please feel free to contact any of the three chairmen listed above.
